THE 50-STATE TIRE IS HERE

**Built for a chilly drizzle on Third Avenue,
or Route 66 in August with 300 miles to go:
the new All-Traction tire by Goodyear.**

This is the tire that Goodyear built to help the new breed of bikes cope with American distances, speeds and climate extremes.

Check the heavy tread blocks. Look closely at the tiny sipes. Reasons why All-Traction gives you sure stops plus nimble maneuverability in clogged traffic.

The slant of the grooves spins drizzle out of your tread, to dry the road under you.

The rubber is the toughest ever used in a Goodyear cycle tire . . . tough Tufsyn rubber in a real "grip" compound.

All-Traction has the muscle to take highway seams and potholes. And enough agility to make you feel sorry for all the people snarled in that tie-up, back there.

This is your tire. Not just because it fits your machine.

This is the first one built to fit your driving.

See your motorcycle dealer and ask him to contact one of the following Goodyear motorcycle tire distributors.

Goodyear, Cycle Tire Department, Akron, Ohio 44316.

PROFESSIONAL COMPETITION

Above: Cal Rayborn having taken over the lead in lap 32 stayed out front to the end. Here Rayborn roars across the finish line for the checkered flag and the 110 mile championship.

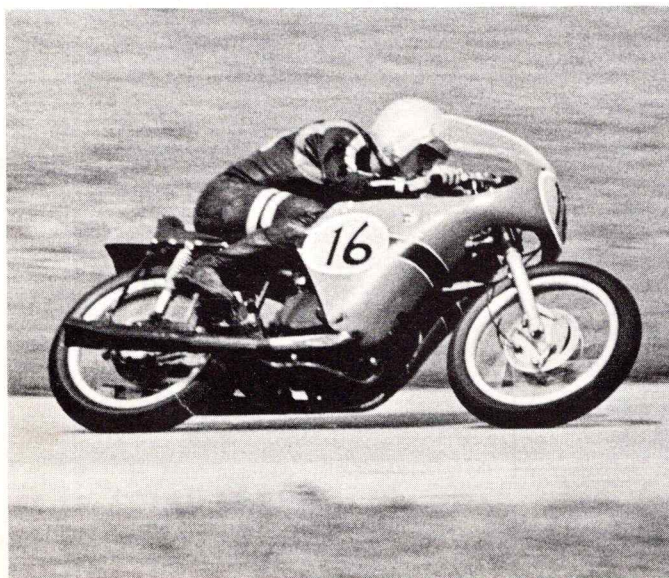

Left: The way to win: get out front and stay there. This is a sound philosophy that Gary Nixon practices. Here Nixon leads part of the field through the chicane.

Left: Sweeping wide through the turn Dave Bloom (54) keeps the pressure on to win the 40 mile novice main event. He also won his heat race.

Below left: Art Bauman, winner of the amateur final, just put himself out in front right in the beginning and stayed for the checkered flag.

Below: Roger Reiman and Bart Markel seem to ponder the breaks of the game. Both were sidelined with engine problems.

Cal Rayborn 110 Mile Champ

Cal Rayborn of San Diego, Calif., riding a Harley-Davidson won the 110 mile national championship road race at Indianapolis Raceway Park in a time of one hour, 18 minutes, 20 seconds.

This was the first motorcycle race on the 1.7 mile park course in some five years and 41 experts were on hand to face the starter.

Roger Reiman (H-D) grabbed the lead followed by Rayborn, Gary Nixon (TRI) and Mert Lawwill (H-D). By lap 13 Nixon had taken command as Reiman dropped to second with Chris Draayer (H-D) and Dick Hammer (TRI) moving into contention with the front runners.

In lap 24 Draayer went down in the backstretch and lap 30 saw Reiman drop out with a burnt piston. Two laps later Nixon pulled into the pits with mag trouble and Rayborn roared by into the lead with Hammer moving into second.

Mart Markel (H-D) who had worked his way up and was running fourth was forced to the sidelines in lap 34 with a broken piston.

Rayborn finished the remaining laps out front and was followed in by Hammer, Lawwill, and George Roeder (H-D).

Prior to the championship the amateurs raced for 50 miles with Art Bauman (HON) of Los Angeles, Calif., taking an easy win in 37 minutes, eight seconds.

Bauman who led 26 of the 27 laps was followed across the line by Ron Widman (H-D) who had moved up from

11th spot. Jim Odom (MAT) finally finished third after spilling early in the race.

On the day before, experts and amateurs met for a go-around in the 250cc 50 mile combined road race. Elimination heats for this event were taken by Ron Grant (SUZ) and Gary Nixon (YAM). As the final started Nixon took over the lead with Grant and Dick Hammer (SUZ) in pursuit. This was the pattern of the race as well as the 1-2-3 finish.

The green plate riders started off the two days of racing. The two novice elimination heats went to Dave Bloom (YAM) and Duane McDaniels (YAM), respectively. Bloom came right back to win the 40 mile novice final road race.

50-Lap TT National

Van Leeuwen Wins In Drama Filled Final Lap

By Carol Sims
Photos by Walt Mahony

When Skip Van Leeuwen rolled into the winner's circle at the end of the Ascot Park (Calif.) 50-Lap National Championship TT, his first words were, "Boy, I've got to be the luckiest guy in the world." And few would have disputed his statement.

With one lap to go, the gas line had fallen off Skip's Triumph, moving Norton-mounted Jack Simmons into the lead. Then, more dramatically than a movie script, the final circuit unfolded.

Aware that he now had victory within his grasp, Simmons decided to "cool it" through the few remaining turns. Moving into the sharp right-hander before the jump at reduced speed, Simmons' machine hit a low-groove wet spot that he would have avoided if running at his usual pace. Down he went, accompanied by screams from the astonished crowd.

It seemed an eternity before Simmons gathered up his machine, remounted, and continued. But by now it was too late. Despite the spluttering difficulties of Van Leeuwen's fuel-starved bike, he had earlier built up such a lead that he managed to coax his ailing mount across the finish line in first place. In winning his first-ever National Championship race, Skip had provided the most nerve-racking and unpredictable TT

victory in Ascot's illustrious history.

Second to receive the checker was early leader Dusty Coppage. He had given his Triumph a superb ride displaying both aggressive and defensive tactics to good advantage, but he wasn't happy with runner-up position. "I really wanted to win this one bad," said a disappointed Dusty.

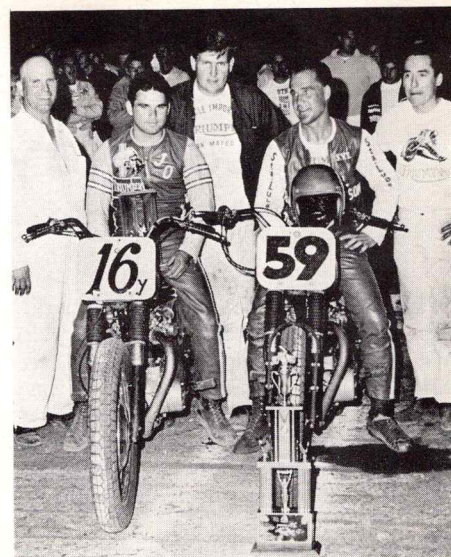

Dave Palmer's never-say-die attitude brought him third place honors on his Norton, though he had fallen briefly in the early going—then forged onward with even more determination. "Got in a little too hard," remarked Palmer without his usual smile. "The bike had it—I didn't."

Simmons, sick at heart, had to settle for fourth after coming closer than ever before to placing his Norton in the category of Championship winners.

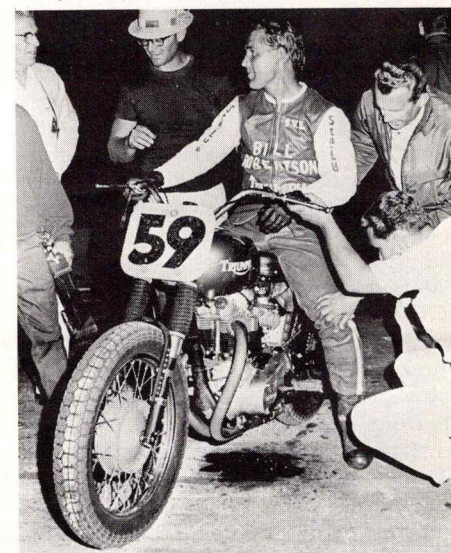

So many individual battles took place throughout the 50-lapper that fans were hard-pressed to absorb all the action. First Simmons and Coppage fought it out for the lead; then it was Simmons and Van Leeuwen.

Close behind came Palmer, Mert Lawwill, Dallas Baker and fast qualifier Dick Hammer . . . each busily plying his trade. Eddie Mulder and Eddie Wirth got their licks in, too, and so did Dan Haaby, until his engine blew.

Suffice it to say that the full-house

PROFESSIONAL COMPETITION

20 Mile Title To Gary Nixon

By Paul McDowell

Gary Nixon didn't pick up much lap money at the 20-mile national race held at Portland, Ore., July 16, but he didn't mind.

Gary came off the line at the mile Portland Meadows race track in a solid third place and trailed either George Roeder or Fred Nix for 15 of the 20 laps before taking over the lead on lap 16 to ride his Triumph to victory in the 1967 edition of the 20-mile national.

For Portland motorcycle buffs, the 20-mile national was the first time a motorcycle race of any consequence has been held in the city since 1955.

Promoters Jack Leigh and Harold Yonkers couldn't have picked a better race to bring big-time motorcycle racing back to Portland as a star-studded field flew around the mile oval.

Fastest qualifier for the day was Fred Nix, who circled the mile track in 43.32. Roger Reiman earned the second spot with a track circuit time of 43.50, followed by George Roeder, who posted a time of 43.54. Dick Mann recorded a qualifying lap time of 44.26 and Jim Nicholson a 44.35, while eventual winner Nixon could come in with no faster a time than 44.36.

Bart Markel, who earned his national number one last year, had his share of problems as he had a slow qualifying time of 44.98 and was forced to withdraw from the afternoon's racing when his machine developed mechanical problems while he was running second to Roger Reiman in the first expert heat event.

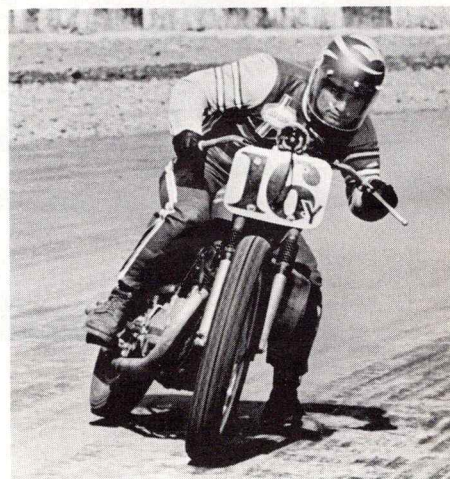

The running of the 20-mile national didn't get underway until the sun was slanting well into the west, a fact that Mort Becker, Oregon AMA referee, says will be changed for next year's running.

As starter Bill Celorie dropped the white flag to start the race, Chris Draayer from Salt Lake City, jumped out to an early lead going into the first corner, followed by Nix, Nixon and Cal Rayborn.

Roeder, who headed into the first corner in fifth spot, wasted little time in passing Rayborn and holding down the fourth-running position.

By the second lap, Nix had overhauled Draayer for the lead and the top four finishers set the stage for the finish. After the first lap, the top four run-

(Continued on page 25)

Jim Odom forgot there were other riders on the track. He just went out and won again. Mahony photo.

Fred Nix leads Bart Markel through the turns. Markel was forced to sit out most of the activity when his engine developed mechanical troubles.

Ed Mulder (12), Jim Corpe (48), Roger Reiman (55), Gary Nixon (9), and Dick Mann (2) dominated the 20 lap TT from start to finish. After swapping places several times they finished in reverse of this early lap photo.

Speculation had several riders as favorites to take the 20-lap TT national but it was Dick Mann with a last lap drive who took the checkered flag first. Gary Nixon, who had led most of the race, settled for a close, but still, second place.

Jim Odom, the Triumph rider from California, showed everyone at the start why he has won so many amateur events this year by nearly breaking the track record. He came right back to take the first amateur heat over Gary Cape of St. David, Illinois on a Triumph and flying Sam Ingram (BSA) out of Indianapolis, Indiana.

Dale Harding from nearby Pekin, Illinois fought a real duel with the Harley rider from California, Larry Wilburn with Harding seeing the checker first from starter Don Mooreland.

Two Michigan Triumph riders, William Davis and Dave Franks, fought it out for third heat with Davis coming out on top in that one.

Just before the roof fell in. Dick Mann having worked his way up from fifth closes on leader Gary Nixon. This set up his fourth turn to the finish line drive that snatched victory from the hands of Nixon.

PROFESSIONAL COMPETITION

PEORIA

Dick Mann Wins National TT Championship In Homestretch Drive

Photos by Jack Hall

Dick Mann won the first expert heat which saw only four riders from each heat move into the 20-lap national. Fred Nix held on for second while California riders Dave Palmer and Eddie Wirth fought for the other two qualifying spots.

Bart Markel went down in the second expert go and failed to qualify for the national as did Chris Draayer. This heat was finally taken by Roger Reiman with Jim Corpe second followed by Indianapolis winner Cal Rayborn and Harold Lyons.

Mert Lawwill blew his engine in the third heat but Gary Nixon took over and won the heat over defending champ Eddie Mulder followed by Dusty Coppage and newcomer to Peoria, Dallas Baker from California.

In the amateur final Odom came off the line in third place behind Davis and Franks but by lap three had completely taken over the show moving into first spot for good to win going away over Davis, Franks and Kennedy.

When the national started Mulder got down to serious business at the drop of the flag which saw no less than nine of the twelve finalists carrying national numbers, by leading the first four laps. During these laps Nixon had moved by Reiman and Corpe to take over the number two spot. On lap five Nixon got

by Mulder and remained out front until the last lap. Mann, who had moved up steadily from fifth on the first lap, came up on Nixon and passed him with 200 yards to go coming out of the last turn. Reiman and Corpe put on a real battle behind Mann and Nixon with Reiman finishing third and Corpe being passed by Mulder who was fourth.

Jim Odom makes a perfect one point landing off the jump on his successful run in the amateur final.

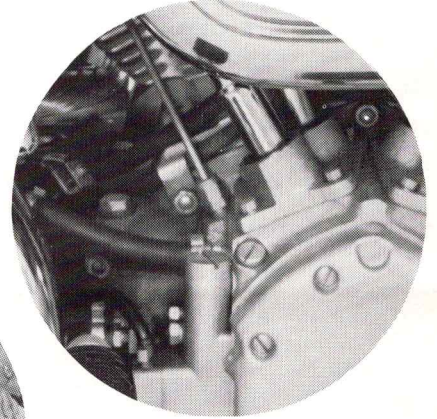

Push a button and turn on the world.

All 1200 cc's of Electra Glide performance come alive with quick electric-starting. Full 12 volt system provides plenty of snap for starting and accessories.

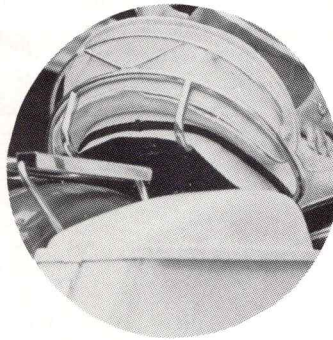

Instrumentation has been re-styled. Speedo has a new face and numerals with easy to read automotive-type warning lights for oil, generator and ignition. Housing is a combination of brushed, polished and pebbled aluminum surfaces.

The new oil pump has an increased capacity and provides more efficient lubrication. Now, the king of sweet-running cycles runs smoother, longer than ever before.

Wouldn't you know—the motorcycle that gives you more to begin with, also offers more options and accessories as well? We start you with the world's finest motorcycle. You take it from there.

The 1968 Electra Glide is unique in all cycling!

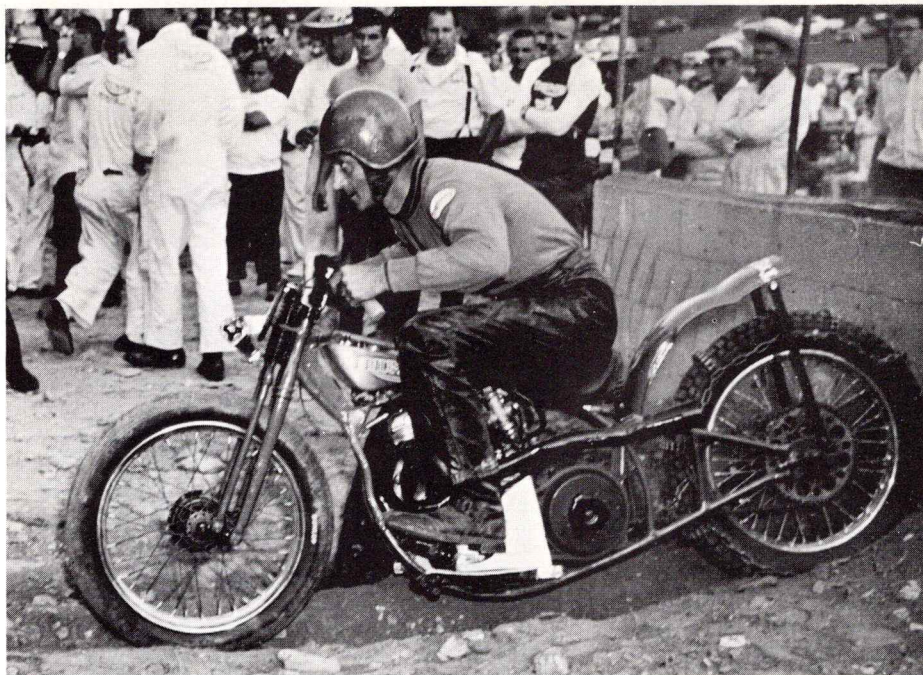

Introduce yourself to a one-of-a-kind experience. Ride the new Electra Glide. In this one motorcycle, you'll get the precise engineering of a formula racer and the handcrafted luxury of a custom roadster. Here too, are the stamina, balance and ride that have made the 1200 cc Electra Glide the world's foremost cycle. To the quick, sure electric-starting, now add new instrumentation and rich futuristic styling. This is Electra Glide for 1968. On display at your Harley-Davidson dealer. A limited edition of unlimited excellence. Take a test ride soon.

HARLEY-DAVIDSON

Joe Hemmis Takes 74 Cu. In. Hill Climb Title

Jack Taylor New 45 Cu. In. Champ

By Bert L. Boyd
Photos by
Bert Boyd and Jim McGuire

All out determination is shown by Joe Hemmis as he concentrates on wide open ride. In a sparkling 6.34 seconds, he was over the top for the title.

Joe Hemmis of Cumberland, Maryland on a Triumph blasted his way to the National Class A Hillclimb Championship at York, Pa. on August 6.

Hemmis, winner of the title in 1959, 1962 and 1964, turned in a "Fastest time of the day" 6.34 ride in his second trial on the rough, soft, 60 degree, 300 foot course.

The Class B title went to Jack Taylor of Muskegon, Mich., the only B rider to go under the seven second mark. Taylor also was a second trial winner when he turned in a sparkling 6.84 ride to go ahead of Phil Franz of Brook Park, Ohio, who was in the first spot with a good 7.07 ride. Taylor and Franz were Harley mounted.

The championship event promoted by the White Rose MC of York was well handled by that organization and the competent AMA officials assigned to the

event. The White Rose Club was commended by the news media of the area for the promotion and the event was taped for area TV stations.

The entry list, consisting of the top 15 point winners in the A and B class, showed a decided trend toward new riders from the Midwest and the competition reached the highest level in years at the York national.

Experienced observers noted the influx of new sophisticated engines in both events that insures a bright future for the free lance tuners of the alky-nitro fueled cycles.

The hotly contested B event which left a badly chewed up course for the A riders saw three of the first four places go to Ohio riders with Jim Thompson and Doyle Disbennet finishing third and fourth with 7.15 and 7.25 rides.

The first round of A rides had Hemmis in the number one spot with a 6.60 ride, Lou Gerencer second with 6.74, Gordon Mitzel at 6.75 third and Glen Kyle, the champion in 1965 and 1966 with 6.91 in fourth position.

York fans came to life when the local favorite Gordy Mitzel turned in a 6.55 ride on his second trial but the cheers were short lived as Joe Hemmis blazed a beautiful 6.34 ride over the top to sew up the title.

Earl Bowlby on his second ride bounced over the course in 6.88 moving Kyle back to fifth and Gerencer's last ride was a 6.60, five one hundredths out of second place.

Many of the old timers who kept the A program alive for many years were on hand for the event.

Art Witherow of Hornell, New York; Howard Mitzel, York's original cycle

Phil Franz breaks the timing string as he took second in the B class.

Jack Taylor topped the hill in 6.84 seconds to win the B event.

Joe Hemmis won his fourth title in A class having previously won in 1959, 1962 and 1964.

champ; Herb Reiber of Washington, D.C.; Tom and Guy Paradise of Albany, New York; Earl Buck of Detroit; Sam Kakabar of Johnstown and Lou Corriere and Joe Werner of Easton were noted around the pit area with many other notables of past hillclimb events.

Masher and Strickler of Altoona handled the timing and MC work for the event.

PROFESSIONAL COMPETITION

National Short Track

Gary Nixon Wins Fourth 1967 National Title At Santa Fe

By Jack Hall

Gary Nixon, the Baltimore Bullet, riddled the competition at the National Short Track, taking the fastest time (16.06), his heat race, the semi and 25 lap final.

Star in the amateur class was Jim Odom, the 19 year old California carpenter. He took his heat also and the amateur 10 lap for his sixth national amateur win.

Amateur heat winners along with Odom were Walt Fulton and Floyd Houchins, making it a clean sweep for California.

Bart Markel, Grand National Champion, was plagued with gearing problems, along with George Roeder, who had motor troubles. Darrel Dovel broke a chain in the semi putting him out of the national.

In the amateur final Odom was given a handful of worries by Keith Nadler, a regular visitor to Santa Fe each Wednesday night. Nadler held on for half the event before Odom got by him on lap five, with Walt Fulton coming up to pass him (Nadler) on lap eight for second spot behind the leading Amateur in the Nation, with Houchins fourth.

Chris Draayer, the Salt Lake City Flash, jumped into the lead on the first lap of the national pursued by Nix, Nixon and Lawwill. This was the order for the first 12 laps when on lap 13 Nixon made his bid getting by Nix in

turn two to close on Draayer. It took the man from Baltimore eight laps to get by Draayer who slipped out of the groove on turn three letting Nixon duck under him to take over the lead. They came up on the back of the pack at the finish line with Draayer going inside and Nixon outside to finish only a foot apart! Nix held on to third with Mert Lawwill going from wire to wire in fourth spot.

Short Track National Championship

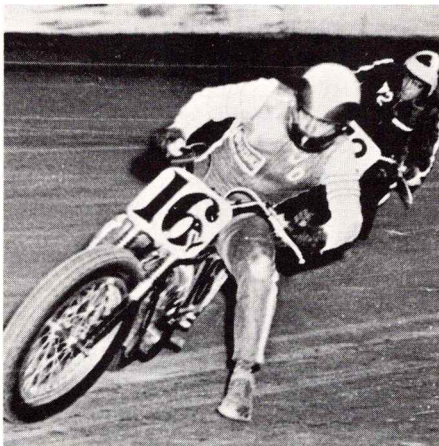

Time 6:49.36 (25 laps)

1. Gary Nixon, Baltimore, Md.	TRI
2. Chris Draayer, Salt Lake City, Utah	H-D
3. Fred Nix, Lawton, Okla.	H-D
4. Mert Lawwill, San Francisco, Calif.	H-D
5. Neil Keen, Decatur, Ill.	BUL
6. Jim McMurren, Nestor, Calif.	H-D
7. John Tibben, Elmhurst, Ill.	H-D
8. Bart Markel, Flint, Mich.	H-D
9. Emery McKeen, Laurel, Md.	BUL
10. Cal Rayborn, San Diego, Calif.	H-D
11. Jack McNairy, Albuquerque, N.M.	H-D
12. John Lemme, Prospect Hts., Ill.	H-D

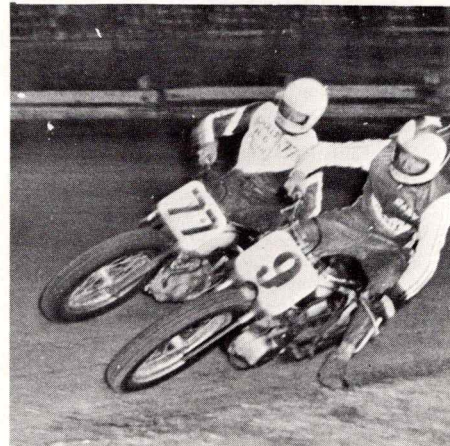

Short Track Amateur Final

Time 2:47.51 (10 laps)

1. James Odom, Fremont, Calif.	SUZ
2. Walt Fulton, Orange, Calif.	H-D
3. Keith Nadler, Aurora, Ill.	H-D
4. Larry Houchins, Castro Valley, Calif.	BUL
5. Doug Braasch, Peoria, Ill.	BRI
6. Ralph Gaines, Bloomington, Ill.	H-D
7. John Carr, Madison, Wis.	H-D
8. Frank Fudala, Chicago, Ill.	H-D
9. Gary Cape, St. David, Ill.	BSA

Jim Odom, the winningest amateur, ran true to form by winning everything available in his class.

Chris Draayer led for more than half the race but Nixon had other ideas about the outcome. Here he goes under to permanently take the lead.

BSA helmets

One-up for safety Two-up for looks

Here are two new helmets that not only are Snell approved, but also meet the test standards of all these others: AMA Group 1, USASI Z90.1-1966 and New York State.

Here's why they rate this across-the-board endorsement:

- Thick inner lining of special shock-absorbing material.
- Double safety strap — easy to adjust, but positive

in locking action.

- Extra padding of foam rubber in innermost layer for comfort.

Take your pick from these two winners:

The GP Mark IV Deluxe with double insulation.

The TT Mark III Special with single insulation.

Get them at Eastern BSA dealers and other fine motorcycle equipment outlets.

CLUBS

WRMC A Climbing Club

The White Rose Motorcycle Club of Spring Grove, Pa., sponsors of the 1967 Formula A Hillclimb National Championship, was organized in 1951.

The club originally started in an old schoolhouse. As it grew, they built a small clubhouse which is now used as the concession stand at their events. In 1963 the present clubhouse was started. This two-story building was built against a hill, the upper floor serving as a meeting room, the lower houses the kitchen and snack bar.

In the beginning the club rented a hill for their climbs. In 1956 they purchased their own land and over the years have increased their land to 27 acres.

The present hill was built up from an original smaller hill and now is a 60 degree slope about 300 feet long with an interesting dip.

In addition to three hillclimbs a year the club holds several poker runs and schedules club rides.

The proceeds from events are put back into the club and used to add to and improve the hill.

The WRMC is located in York County, the home of many enthusiastic hill-

climbers. One of the best known is Howard Mitzel, now retired, who through his encouragement of the sport helped the club immeasurably. Some of the other outstanding local slant artists are; Gordon Mitzel, son of Howard; Truman (Beese) and Dale Wendt, Paul and Joe Mayer, Jack Kessler, Lester Baney and Terry Mortland.

What's In A Name?

Clubs, if you thought enough of a name to register it applying for and getting your charter, why not use it?

Many club names are similar, so, if the full name is not used on correspondence to the AMA when applying for sanctions, etc., it is most difficult to check. We don't mind searching the files, but at times it would take nothing short of a crystal ball to solve the problem. It is also helpful to show your charter number with your name and address.

If at any time your group decides to change or shorten the club name, please notify the AMA club department so that all records may be kept accurate.

Clubs, we are here to help you in every way possible, but we do need your cooperation.

What's The Answer

Dear Ama:

What is the purpose of the steel shoe worn by racers?

Miss J.C., Portland, Ore.

Dear Miss J.C.:

In dirt or flat track racing the racers balance themselves in the turns by putting their left foot down. The steel shoe that covers the bottom of their boot serves as a skid plate. Without this protection, friction and wear would destroy the rider's boot in a very short time.

Ama

Dear Ama:

Is the number one rider determined by the number of national championships he wins?

Mrs. S.E., Pittsburgh, Pa.

Dear Mrs. S.E.:

The rider with the greatest number of points accumulated in national championship competition is awarded the number one plate. These points vary depending on the length of the race from six places in short track to 25 places in the 200 mile and the rider's finishing position. Of course, the more nationals a rider wins the better chance he has of getting number one.

Ama

Dear Ama:

When was the American Motorcycle Association organized?

Mr. L.C., Dallas, Texas

Dear Mr. L.C.:

The American Motorcycle Association was organized in 1924 and incorporated January 30 1941. Offices were originally located in Chicago, Illinois, but in 1928 they were moved to Columbus, Ohio.

HARLEY-DAVIDSON

SPORTSMAN COMPETITION

Central Florida Cycle Scrambles

By David Coffield

A modest crowd of spectators enjoyed an exciting afternoon of racing as riders in five classes vied for top honors over the quarter mile course. The track was damp from rain the previous day and this helped keep down the dust. Showers threatened the race several times during the day but did not come until a few minutes after the last race. Dorsey Field amazed the spectators with his ability to handle his machine as he put down all comers in the 250cc Class.

Although partly airborne, Dorsey Field had complete control in winning the 250cc class.

The Central Florida Cycle Club is doing a very good job promoting interest in the scramble sport around the Central Florida area.

Results showed classed winners were:

0-100cc: Bill Moody, Daytona Beach, Fla.	BRI
125cc: Homer Chavis, Largo, Fla.	BUL
175cc: Tom LaMotte, Altamonte Springs, Fla.	BUL
250cc: Dorsey Field, Leesburg, Fla.	BUL
Open Class: Bill Poaz, Cocoa, Fla.	TRI
Consolation: Buddy Gregory, Daytona Beach, Fla.	BUL

Benefit Scrambles

The Eastern Pennsylvania Piston Poppers MC, Inc., held their second benefit scramble for the Lancaster Breakfast Optimists Boys Work Fund, before a group of 700 spectators. There were 93 riders participating and final results showed class winners to be:

90cc: George Sharp, Chester, Pa.	
125 Amateur: Jeff Cole, Langhorne, Pa.	
125 Expert: Gary Fisher, Parkesburg, Pa.	
175 Amateur: J. D. Griffith, Chester, Pa.	
200 Amateur: David Knowles, Audubon, N. J.	
200 Expert: Bill Schaeffer, Pine Grove, Pa.	
250 Amateur: Dale Schnole, Hopeland, Pa.	
250 Expert: Bob Sweeten, Williams-town, N. J.	
500 Amateur: Glenn Pierce, Downingtown, Pa.	
650 Amateur: David Knowles, Audubon, N. J.	
650 Expert: Ray Martino, Yardley, Pa.

NAME

ADDRESS

CITY STATE

ZIP CODE

Henry Koepke Fatally Injured

Henry Koepke, a member of the American Motorcycle Association Board of Trustees and a Director of the Motorcycle Scooter & Allied Trades Association, was fatally injured August 31 in a truck-motorcycle accident. Mr. Koepke was going home on his motorcycle about 10 p.m. when apparently a pickup truck traveling in the opposite direction made a left hand turn into his path.

Mr. Koepke was 37 years old. He had ridden motorcycles for many years and was extremely safety minded in his attitude and operation of motorcycles.

As General Manager, Mr. Koepke had been connected with Pacific Basin Trading Co. of Athena, Oregon since August, 1962, and was the designer of the Hodaka motorcycle.

He is survived by his wife, Charlotte, and three children, Karen, Kirk and Henry Charles.

City Observes Motorcycle Safety Week

In recognition of the need to promote greater motorcycle safety in view of the spectacular increase in motorcycle registration, Mayor John V. Lindsay proclaimed the week beginning Sunday, August 27th, as "MOTORCYCLE SAFETY WEEK" in New York City.

Commissioner John S. (Bud) Palmer of the Department of Public Events presented Mayor Lindsay's proclamation designating the observance, to Eric Bogedal, President of the AMA chartered Madison Avenue Motorcycle Club, representing the American Motorcycle Association. (Pictured above.)

As the number of two-wheeled motor-vehicles has expanded dramatically during the last two years in New York City,

the safety problem has also greatly increased. Educational programs will call attention not only to the need for careful operation of the vehicles but will emphasize also traffic safety in general.

TEXT OF MAYOR LINDSAY'S PROCLAMATION FOLLOWS:

WHEREAS: THE NUMBER OF MOTORCYCLES IN NEW YORK CITY HAS INCREASED DRAMATICALLY, MAKING THESE MOTOR VEHICLES A SIGNIFICANT FACTOR ON OUR STREETS AND HIGHWAYS; AND

WHEREAS: IT IS IMPORTANT TO BRING ABOUT GREATER DEGREES OF SAFE OPERATING CONDITIONS ON PUBLIC ROADS AND ATTENTION TO ROAD SAFETY FOR ALL VEHICLES MUST BE KEPT AT THE HIGHEST INTEREST THROUGHOUT THE YEAR; AND

WHEREAS: THE ACTIVE PARTICIPATION OF MOTORCYCLE AND SCOOTER OPERATORS IS OF PRIME IMPORTANCE TO THE CITY'S PROGRAM OF TRAFFIC SAFETY AND AUTOMOBILES, TRUCKS, BUSES AND OTHER VEHICLES MUST RECOGNIZE THEIR RESPONSIBILITY IN CONTRIBUTING TO THE SAFE OPERATION OF TWO-WHEELED VEHICLES,

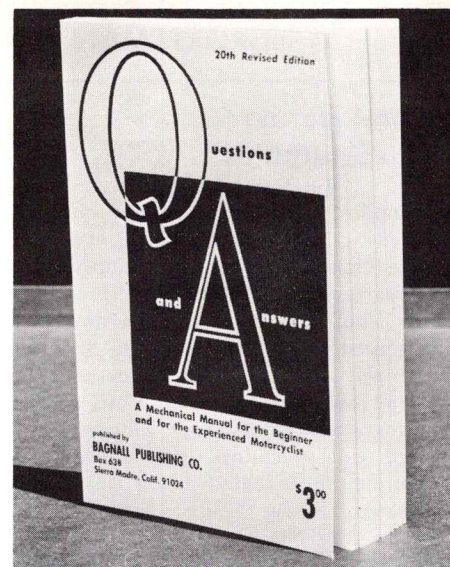

NOW, THEREFORE, I, JOHN V. LINDSAY, MAYOR OF THE CITY OF NEW YORK DO, HEREBY PROCLAIM THE WEEK COMMENCING SUNDAY, AUGUST 27, 1967, AS

"MOTORCYCLE SAFETY WEEK" IN NEW YORK CITY AND URGE PUBLIC AWARENESS OF THE STEPS BEING TAKEN TO IMPROVE THE STANDARDS AND CONDITIONS OF MOTORCYCLING.

IN WITNESS WHEREOF I HAVE HEREUNTO SET MY HAND AND CAUSED THE SEAL OF THE CITY OF NEW YORK TO BE AFFIXED.

Latest Q & A Manual

The Bagnall Publishing Company announced their new 20th Edition of QUESTIONS & ANSWERS Manual is devoted exclusively to the maintenance and repair of American-made motorcycles, which includes data on the 1967 range of Harley-Davidson motorcycles with the exception of the 3-wheel Servi-Car and the recently introduced 125cc Rapido.

Q & A's information is presented in a new format of five parts making it easier to find and read.

The all-new Q & A contains over 250 pages, 200 photos, line drawings (many of which are cutaway and exploded views) and graphs plus numerous specification charts, advised the company.

This handy reference manual for the beginner, as well as the experienced motorcyclist and shop mechanic, is available at \$3 postpaid, from Bagnall Publishing Co., Dept. AM, Box 638, Sierra Madre, Calif. 91024.

New Hap Jones Warehouse And Sales Facility Open In Ohio

The Hap Jones Distributing Company announces the opening of a third point of distribution and sales for its full line of motorcycle parts and accessories. The new sales office and warehouse is located in Cincinnati, Ohio.

Shumaker

Hap Jones - Central/East is organized as a division of Bryan Equipment Sales, Inc., which has been a distributor of motorcycles, cycle parts and accessories for more than 20 years.

The Hap Jones Distribution Company was established in 1933 at its present

headquarters in San Francisco. In 1965 it opened a second warehouse/sales office in Prattville, Alabama, managed by Earl Dees. Steve Shumaker was named sales manager of the new division, stated the company.

Address of the new facility, Hap Jones - Central/East, is 6941 Cornell Road, Cincinnati, Ohio 45242. Telephone 791-1900.

RIDER PROFILES

No. 6 Lawrence E. Schafer

Lawrence, or better known as Larry, Schafer is a native of Shattuck, Okla., but now calls Arlington, Va. home.

Larry started riding in 1948 and through his early riding years gained experience in Sportsman events such as road races, drags and scrambles. "In 1952 I switched to competition riding because a friend enticed me," said Larry.

At present he works as a motorcycle mechanic, lists racing as his hobby with a preference for road races.

He is married and has two children Cindy, ten and Brenda, nine.

In 1960 he turned to professional competition following his brother Marvin's footsteps. Don competes in many types of events but lists the half mile dirt tracks as a favorite.

He is a mechanic and when time permits pursues other hobbies of football, swimming and golf.

Don and his wife, Polly Ann have two children Sally Jo, seven and Michael Lynn, six.

He is a member of the Little Heiskell Motorcycle Club and eventually plans to go into business for himself.

No. 73F Jim L. Pegram

Jim Pegram of Hubbard, Ohio, said he started riding in 1950 which was a very early age. However, this 21-year-old Columbus, Ohio native did not turn to competition until 1962. Turning to competition was a natural since his father, Jan, rode and competed in enduros for many years.

Jim is married, has one child, works as a mechanic and is a student. His main interests are motorcycles and boats. When competing he likes the half-mile best.

Looking into the future Jim said, "he hoped to have a motorcycle shop some day."

No. 86 Mark D. Heinemann

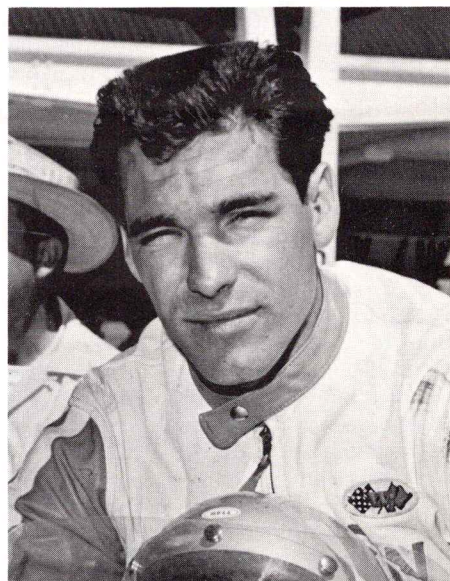

Mark Heinemann started to ride in 1957 but it was not until 1964 that he turned to competition. As a Sportsman rider he competed in scrambles, road races and short track. In starting competition Mark said, "I simply felt the urge and as for hobbies it's motorcycle racing."

This 22-year-old Daytona Beach, Fla. native lists his work as farm owner and racer.

He is married, has two children, is a member of the Daytona "200" MC and hopes to some day sponsor a racer.

No. 91R Russell Coppage

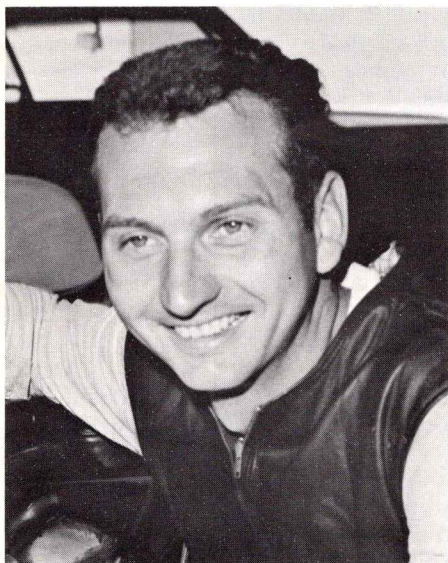

Russell Coppage, a native of Burbank, Calif., is probably better known as Dusty to everyone. Dusty started riding in 1956 and turned to Sportsman riding in 1957. Since then he has participated in many events, and got started in competition through just watching races. His favorite is the TT.

He works as a motorcycle mechanic and is a member of the Simi Valley MC. As a diversion his other hobbies include camping, fishing and boating.

Dusty is married and has a year and a half old daughter.

Plans for the future he said, "are not certain."

No. 31 Donald O. Twigg

Don Twigg, a 28-year-old native of Hagerstown, Md., started riding in 1954. For six years he followed and participated in scrambles, hillclimbs, observed trials and other Sportsman events.

MOTOR MAIDS

By Leslie Pink

Welcome new members, Myra Ferrell, Mt. Clemens, Michigan; Arlene Yurajcic, Millersville, Pa.; Sandra M. Knight, Las Vegas, Nevada; Marie Rodi, Avondale Georgia; Shirley Ann Abbott, Portland, Oregon; Audrey and Carolyn Wingfield, Paramount, Calif.; Donna Farrow, Columbus, Ohio; Patricia Norrick, Bradley, Illinois.

The Charity Newsies event in Columbus, Ohio was as great as always for the Motor Maids. About 100 Motor Maids flocked to Ohio's capitol city, and this year's headquarters was the Claremont Inn. However, with such a large group, many of the girls had to stay at other motels in the area. Friday night there was a Dutch treat supper at a local restaurant with 30 or more girls already in, getting a head start on the fun. And, let me tell you, the wig and hair-piece industry has made a fortune from the Motor Maids. You never saw so many lovely looking creatures as these Motor Maids all done up in their finery. You would never believe that they sat all day on a motorcycle with a helmet squashing their locks. God Bless the Wig industry. After dinner there was the usual gab fest around the pool, but most retired early after the long ride into Columbus. Saturday morning there was time to wash the motorcycles, get them serviced—and then out to the track we wended our way. The Charity Newsies treated us to a box lunch at the track of fried chicken and all the fixins'. They were especially nice to us also, in not asking us to practice for our parade on the track. After lunch we headed out for Worthington, and the dedication and ribbon cutting at the new A.M.A. Headquarters. It was a very nice grand opening and after the few brief speeches, all the guests were invited into the building to look around. A buffet table was set up with plenty of refreshments.

Saturday night's banquet is always a great treat with the Newsies sparing no expense to make the Motor Maids welcome. We had a cocktail hour with plenty of shrimp to devour. A marvelous roast beef dinner followed. An added surprise was the drawing of names for cash prizes. About 30 girls won some gas money. Grand Prize winner was Mary Heard from Canada who won \$25.00. Sunday morning we all had breakfast

at the Southern Hotel, courtesy of the Charity Newsies. A brief meeting was called after breakfast by President, Mary Cutright, to explain the parade procedure and all the details we would need to put on a nice parade. The Long Distance Trophy was awarded to Isabel Hetrick traveling all the way from Torrance, California. Our parade was its usual breathtaking self—I just can't be modest about it at all. There were close to 100 girls in the parade—maybe even more—I didn't get an exact count. After the races, the girls just said, "So long for now"—because in only three short days, our Convention would begin in Lancaster, Pa. and we knew it would be just the continuation of our good times here in Ohio.

Lancaster, Pa.—as early as Monday—Motor Maids began arriving at the Holiday Inn with saddle-bags filled with laundry, hair-do's needing attention, boots needing polishing. There was work to be done before the Convention actually started on Wednesday, June 28th, and these few extra days would be busy ones. Tuesday evening was the first night for registration—with many girls already in town. Bright and early Wednesday morning, we lined up for a ride down to Towson, Maryland to be the guests of the Triumph Corporation. The ride was about 70 miles and we had quite a caravan with about 75 motorcycles wheeling down the interstate. We stopped first at the Triumph building and were given several souvenirs and a tour of the plant. We were then remounted and headed for a lovely restaurant and as the guests of the Triumph Corporation, were fed a marvelous lunch. Rod Coates extended an invitation to stop at his home for a swim and several of the girls accepted the offer. Wednesday evening, there was a Social Hour hosted by the Metropolitan Chapter, Inc. of Motor Maids from the New York and New Jersey area. Punch and coffee were served, plus gobs and gobs of food, coffee and dessert. It was a lovely social get-together with new girls being introduced to members, husbands meeting each other, and even the kids had a good time letting off steam. Wednesday night at 10:00 was the Officers and State Directors Meeting.

Thursday we took a bus tour through

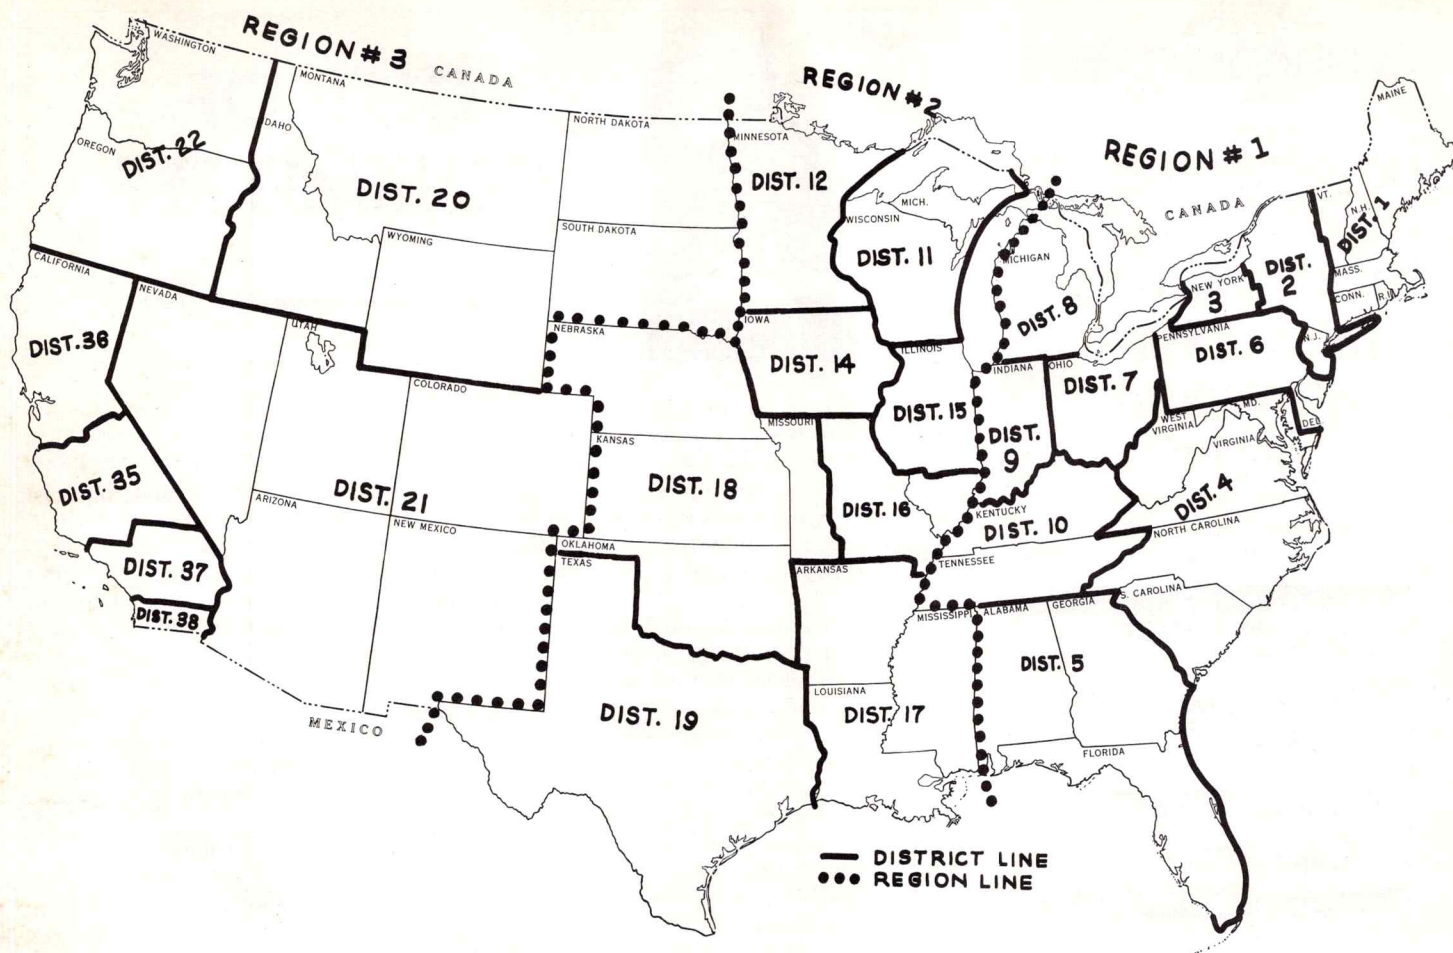

the Pennsylvania Dutch countryside. We visited Amish Farms and many of the landmarks in Lancaster County. We stopped for lunch at the Plain and Fancy restaurant and visited many gift shops. The Dot Robinson Run scheduled for Friday had to be changed to Saturday, because of the pouring rain. We switched our General Business meeting to Friday morning. Mary Cutright opened the meeting with a greeting to all the girls. First conventioners were given a round of applause. Minutes of last year's meeting were read and accepted. The officers gave their reports. Several requests for the 1968 Convention were received—Las Vegas, Nevada; W. Yellowstone, Wyoming; Boulder, Colorado, and Chattanooga, Tennessee. The winner of the vote for 1968 was Boulder, Colorado.

After the meeting, we boarded buses for Hershey, Pa. and a tour of the chocolate factory. We were served a box lunch at the Hershey Park and then toured the factory. Friday night was an informal get-together with the first conventioners and the officers. Saturday morning we had our official picture taken and then started on the Dot Robinson Run, which covered the beautiful farm lands of the area. Upon returning from the run—"pretty-up" time was in order for the banquet Saturday night. Mary Cutright was given a corsage by the girls for the banquet.

The vital statistics for the convention were announced. There were 98 Motor Maids present with 58 guests registered. Twenty-one states were represented and the total mileage covered was 107,002 miles. The Indiana girls finally beat the Ohio girls for attendance. They covered 8,000 miles in all. The Long Distance Trophy was won by Sandy Whetnall of Norwalk, California covering 3,098 miles. Second place went to Arlene Jobe of Wyoming traveling 2,500. Winners on the Dot Robinson Run:

1. Leslie Pink	1,000
2. Dot Smith	996
3. Marion White	995
4. Kathy Anderson	995
5. Regina Foster	995
6. Mary Cutright	995
7. Grace Hall	993
8. Donna Lou Miller	992
9. Jean Bower	992
10. Joan Watson	992

The girls presented Mary Cutright with an accessory for her motorcycle that she had been wanting for a while. We were served a lovely steak dinner and there were many souvenirs on the tables from various clubs and dealers in the area. Phyllis Kresge and her Pennsylvania girls were given a round of thanks for putting on such a wonderful convention. Sunday morning breakfast was hosted by the Harley-Davidson factory—and then we were all homeward bound.

AMA District And Regional Boundary Lines Fixed

Map shows the present AMA district and regional boundary lines. Districts are established on the basis of concentration of clubs in any given area and the number of sanctioned events held during the year. Some changes have re-

cently been made in district numbers and boundaries in order to gain a better balance. Regional lines have been established for the first time.

AMA Executive Committee Authorizes Competition Congress Vote

American Motorcycle Association Executive Director, William T. Berry, Jr., announced the Association's Executive Committee has authorized a vote by mail of the "Class B members" to make necessary changes in the AMA Code of Regulations to allow for the implementation of a Competition Congress.

Berry pointed out that AMA by-laws require the thirty members who serve on what is now known as the Competition Committee to be appointed by the Secretary. The purpose of the Competition Committee is to adopt and provide for the enforcement of rules and regulations pertaining to AMA motorcycle competition. The purpose of the Competition Congress will be the same, however, it will require the election of most members.

A favorable vote to change the by-laws will pave the way for the AMA staff to hold district elections at the

same time as they hold the district sanction meetings January through April each year. Ballots will be sent immediately to the AMA "Class B Members."

Proponents of the Competition Congress say it will be structured to give better representation to all factions of the AMA.

Chartered clubs will gain representation to the Congress through the assignment of twenty five districts across the United States. Clubs in each district would elect one representative to the Congress. These districts will be grouped into three regions—Eastern, Central and Western. All members who hold current professional competition licenses will be eligible to vote for two delegates from their region, selected from a ballot of professional racers. Six delegates in all will come from the three regions.

All industry members who are either manufacturers or distributors of two wheeled vehicles will send representatives to the congress.

Two AMA staff members will attend; the Director of Competition and the Executive Director, who will serve as Chairman of the Congress.

Director Berry stressed that if the congress idea is adopted the first official meeting of the group would take place in November of 1968 to set the rules for 1969. "It is important that these new people have some time prior to the first meeting to do work within their districts. This makes it necessary to hold the district elections as early as possible," Berry said.

The present Competition Committee will meet as scheduled, October 29 through November 1, 1967 to set the rules for '68.

OUT OF COMMITTEE

Comments from Paul McGrillis
Director Governmental Relations

The subject of motorcycle operator licenses has been considered in many state legislatures in 1967. At the end of 1966, to the best of our knowledge, there were seven states where prospective operators were required to pass a riding skill test before obtaining an operators permit.

In a resolution adopted nearly two years ago the MS&ATA advocated adoption of a classified licensing system. That term may not be entirely self-explanatory. As an example, it means that a bus operator should pass a driving test with a bus and have his license indicate that he possesses the necessary qualifications for bus operation. Similarly, the applicant for a license to operate a semi-trailer should pass a skill test before being licensed to operate a vehicle of that type. If the general rule is applicable to other vehicles, it should also be applied to the two-wheeled motor vehicle. There are unquestionably special skills required for safe operation of a motorcycle or scooter. Our belief is that these skills should be demonstrated before an operator is licensed.

In some states it has been made quite difficult to secure a license permitting the operation of a motorcycle. In New York it is required that the applicant furnish an automobile with a driver to convey the license examiner during the test. This makes it both awkward and expensive. It is understood that the law in Texas which will become operative in January 1968 contains similar provisions.

In other states the test is so deficient in determining the skill level of the applicant that the results do not insure competent handling of the machine. In a few states it is necessary to obtain an automobile operators license before a motorcycle operators license may be obtained. This could be compared to requiring a degree as Doctor of Medicine before being eligible for a certificate of completion of Red Cross First Aid Training.

Last year, the MS&ATA produced a motion picture film which was designed to teach license examiners how to conduct a good test and not require any unusual equipment or undue expense.

The film is available through the American Association of Motor Vehicle Administrators, 404 Madison Building, Washington, D.C. 20005 and may be rented at \$10.00 per week or purchased for \$75.00.

If somehow good licensing procedures can be widely adopted an important contribution to highway safety will have been made. The MS&ATA supports this effort in every way possible.

The MS&ATA is furnishing support to a Classified Driver License Conference at the Pennsylvania State University in late September. Through participation in programs of this type the Association is attempting to promote sound and progressive action in this field.

An informal tabulation of states in which some form of separate licensing procedures has become law and the effective dates of those laws is given below:

STATE	EFFECTIVE DATE
Arizona	Now in Effect
Colorado	Now in Effect
Connecticut	January 1, 1968
Delaware	Now in Effect
District of Columbia	Now in Effect
Hawaii	Now in Effect
Illinois	January 1, 1969
Maine	Now in Effect
Maryland	Now in Effect
Massachusetts	Now in Effect
Minnesota	September 30, 1968
Missouri	January 1, 1968
Nebraska	Now in Effect
New Hampshire	September 3, 1967
New Jersey	Now in Effect
New Mexico	Now in Effect
New York	Now in Effect
Oregon	Now in Effect
Rhode Island	Now in Effect
South Dakota	Now in Effect
Tennessee	Now in Effect
Texas	January 1, 1968
Utah	January 1, 1968
Washington	Now in Effect

Since the last issue was published we have received information on the following State Helmet Laws:

STATE	EFFECTIVE DATE
New Hampshire	September 7, 1967
Missouri	October 16, 1967
Illinois	January 1, 1968

ners allowed no other rider to move into their elite group and merely changed the lead back and forth to keep it in the family.

Going into the third lap it was Nix in the lead, followed by Draayer, Nixon and Roeder. On the fourth lap, however, Nixon and Roeder managed to pass Draayer and started closing in on Nix.

Roeder made his move on the seventh lap and successfully edged by Nixon who played follow-the-leader with Roeder for four laps, before he (Roeder) finally overtook the front-runner.

Once Roeder took over the lead on the 11th lap, Nixon came on strong and he eased by Nix on the 13th—which wasn't at all unlucky for Gary—and turned the throttle on.

Nixon slowly gained on Roeder during the next three laps, and finally passed national number 94 on the back straight of lap 16.

From that point, Nixon just kept putting the fuel to his Triumph to cross the finish line the winner of the 1967 Portland 20-mile national.

Behind Nixon at the finish line—cloaked in late evening shadows—were Roeder, Nix, Draayer and Sammy Tanner.

While the expert 20-mile national stole the attention of the crowd, the amateurs who showed up for the Sunday afternoon race card, provided the crowd with its own share of exciting racing.

Terror of the amateur class was Jim Odom, the young Californian who has been burning up tracks across the country this year.

Portland was no different. Odom walked away with top honors, receiving only token competition from Roger Goldthwaite, Jan Crawford and Mark Williams, who finished second, third and fourth respectively.

Buco — BIG PROTECTION

For Little People

Here's the latest in companion safety for cyclists—the Buco Bantam—a safety helmet properly designed for children! The Bantam offers the same high degree of protection design as Buco's adult helmets.

With more and more cyclists taking advantage of Buco's background in safety helmet research, it makes even more sense to properly protect those who count the most.

The Bantam is designed to fit children between the approximate ages of 3 to 10 years. The finish is high visibility white. The visor is an optional extra. For more information contact your cycle dealer. Write for free Bantam brochure; Buco Products, P. O. Box 1065, Northland Center Station, Southfield, Michigan 48076.

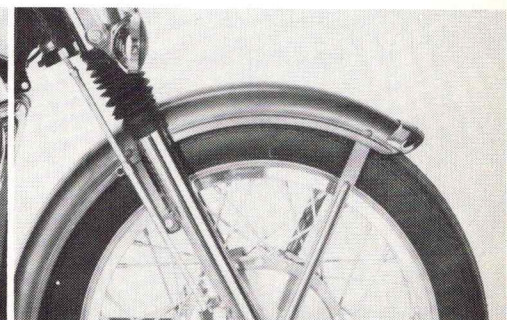

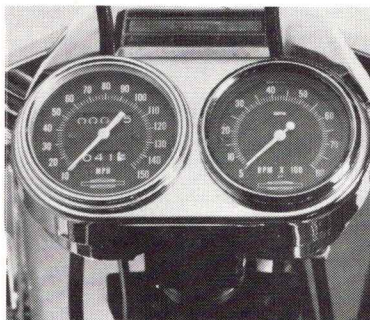

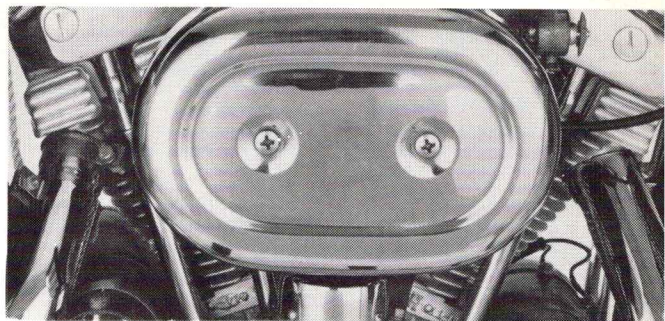

**American
Safety**

Buco Products Division

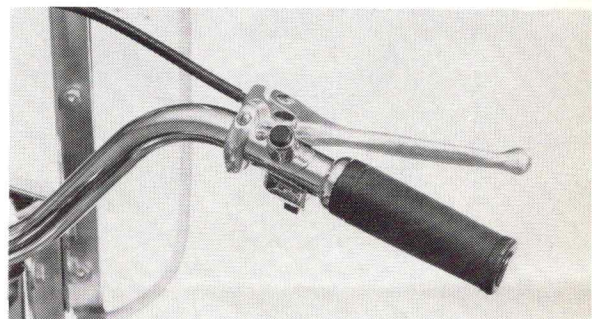

Here's the Sportster's reason why—900 cc's of explosive V-Twin action on a cycle that weighs only 452 lbs. Quick, confident, and the only one of its kind.

We had to either open up the speedometer or slow down the bike—guess what we did? New speedo now clocks to 150 mph.

The damping and springing in the front forks have been completely re-designed for more stability and improved control. Tight corners or straights, pavement or pastureland, this one goes where you aim it.

Zap—you're started on the electric-starting XLH. Just push a button. Any weather, every time. So sure and so fast, we left the kick pedal on the factory floor. You won't need it. Not even for kicks.

A bold new challenge is born. The '68 Sportsters.

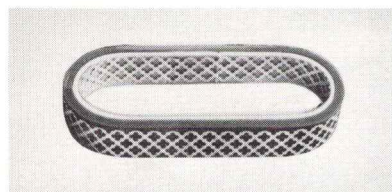

If you like to look excitement right in the eye, you owe yourself a Sportster. This is purely a man's motorcycle. Holds the world's drag record. Rugged and head-strong, it gives you 900 cc's of endless acceleration, 0 to 60 in less than 7 seconds, and peg-down cornering without a waver. You can choose from the electric-starting XLH or the kick-starting XLCH. And once you start, there'll be no stopping you. These '68 Sportsters are designed to go places. First and fast. See them at your Harley-Davidson dealer. But hurry. The Sportster waits for no one.

HARLEY-DAVIDSON

W E B C O *Quality* **AIR CLEANERS** **AND ELEMENTS**

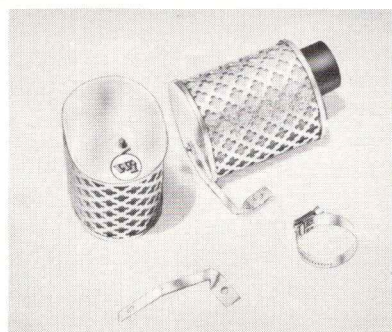

FEATURING THE EXCLUSIVE WEBCO TWO STAGE FILTER

Unquestionably, the most advanced principle in air filtration, the Webco two-stage air cleaners and elements assure total filtration without restriction. The outer stage filters the normal particles while the fine, second stage catches the minute particles ordinary filters miss. All two-stage air cleaners and elements may be used many times over by washing in solvent and adding a film of oil.

REPLACEMENT ELEMENTS

50-LAP TT from page 8

crowd got more than their share of excitement on every lap of this year's Ascot TT National.

TOUCH AND GO AMATEUR MAIN

No less hectic was the earlier 15 lap Amateur Final. After three Amateur National victories in a row, Triumph-mounted Jim Odom ranked as a natural favorite, but Larry Wilburn (also Triumph) had other thoughts on the matter.

Wilburn, current Ascot TT point leader, swept to fastest yellow-plate qualifying time, then followed up with the quickest heat race of the night.

Into the lead at the start of the final went Wilburn, and there he stayed for twelve laps, as Odom fought past Rick Otto and Jan Crawford for second. Then Roger Goldthwaite (Royal Enfield) moved up to challenge the top two.

On lap 13 Odom finally got by Wilburn, but both men were then faced with an additional problem—their machines were running sour and Goldthwaite hovered like a buzzard behind them.

Spluttering and misfiring, Wilburn sank to third on the last lap. Could Odom, with an equally sick engine, hold on for one more circuit? Summoning up that last little bit of ability that (hopefully) comes through in an emergency, Jim managed to keep the lead and crossed the finish line for his fourth straight victory only inches ahead of Goldthwaite.

"I didn't think I was going to make it," said an understandably out-of-breath Odom, in the winner's circle. But he did and that's what counts when the record books are written.

50-Lap NATIONAL CHAMPIONSHIP TT

Time: 40:13.33

1. Skip Van Leeuwen, Sherman Oaks, Cal. TRI
2. Dusty Coppage, Burbank, Cal. TRI
3. Dave Palmer, Santa Monica, Cal. NOR

Kawasaki

250cc SAMURAI Street Scrambler! The only 250cc 2-stroke in the world with the bold look of crossover pipes. Roar off to fun with 31 horsepower and speeds up to 105 mph. Feel the surge of power from dual carbs, dual rotary valves and dual alloy cylinder engine. Takes the $\frac{1}{4}$ mile in 15.1 sec. Add double cradle tube frame and SUPERLUBE oil injection and you've got yourself a head turning, lead stealing machine... Kawasaki Samurai 250-SS!

builds motorcycles

650cc COMMANDER... ALL NEW BIG ONE FROM KAWASAKI! Straddle big, new excitement with the most powerful motorcycle ever built in Japan. Get new power...53 horses! Does $\frac{1}{4}$ mile in 13.7 sec. Higher compression 4-stroke, vertical twin OHV engine now with dual carburetors. More comfort, too on new tuck & roll seat. It's the only 650cc street scrambler with a 12 mo., 12,000 mile warranty. Go with a big one ...go with the all new Kawasaki 650cc Commander W2SS.

for people who know

350cc AVENGER! The tough one. The most powerful motorcycle in the 350cc to 500cc class. Take your revenge out on the Avenger...it can take it. Get even with the big boys. Do the job with 40.5 horsepower, aluminum alloy 2-stroke twin with dual rotary disc valves. Does the $\frac{1}{4}$ mile in less than 14 seconds. Streaks up to 115 mph. Get with the goingest wheels ever...get with Kawasaki Avenger 350!

what it's all about!

Kawasaki motorcycles are the only motorcycles in the world precision engineered and built by an aircraft manufacturer...and it shows. Finely crafted detailing makes these machines mechanical beauties. Choose from street, trail, racers and scramblers. See the full line of 2 and 4 stroke excitement machines from 85cc to 650cc. ARE YOU THE KAWASAKI KIND? See your dealer today and find out.

 **Kawasaki**
Motorcycles

Precision engineered and manufactured by Kawasaki Aircraft Co., Ltd., Japan • Unsurpassed 12 mo., 12,000 mile warranty.

A clean sweep for **BSA** in the 12-Mile National

It was the checkered flag for BSA all the way in the 12-Mile National Championships at Reading, Pennsylvania: both the Expert and the Amateur Features went to BSA performance, power, ease of handling, and durability.

Have you tried BSA — the world's fastest production motorcycle — yet? Step up to BSA power now — move up into the bold, new world of BSA.

Dick Mann aboard a fast BSA 500 won the hard-fought 12-Mile National Championship. Ed Varnes, right, came in first place in the Amateur Feature.

Dick Mann really wails aboard his BSA 500 as he rides her through a turn.
